

BNB Fortune — Whitepaper

Earn 0.5% Daily with Transparent, Long-Term BNB Growth

1. Overview

BNB Fortune is a long-term, transparent, and community-driven staking platform built on the **Binance Smart Chain (BSC)**.

It is designed for sustainable growth, providing **0.5% daily ROI** and up to **180% total returns** over time — without false promises of “get-rich-quick” schemes.

BNB Fortune offers users a simple, secure way to stake their BNB and earn consistent daily rewards while maintaining full control over their funds.

2. Smart Contract Information

- **Chain:** Binance Smart Chain (BSC)
- **Token Used:** BNB (native coin)
- **Minimum Investment:** 0.005 BNB
- **Withdraw:** Anytime
- **Transparency:** 100% verified smart contract (public and immutable)

The contract functions are designed to ensure user safety and simplicity:

- **Invest** — stake your BNB to start earning.
 - **Withdraw** — claim your available earnings at any time.
 - **Reinvest** — compound your earnings back into your stake for faster growth.

3. Investment Plan

Plan	Daily ROI	Duration	Total ROI
Long-Term Plan	0.5% Daily	360 Days	180% Total

This plan provides stable, sustainable growth without unrealistic short-term spikes.

4. Referral Program

BNB Fortune rewards community builders through a **10-level referral system**, encouraging organic promotion and long-term engagement.

Level	Reward Percentage
Level 1	7%
Level 2	5%
Level 3	3%
Level 4	2%
Level 5	1%
Level 6	1%
Level 7	1%
Level 8	1%
Level 9	1%
Level 10	1%

Referrals are automatically tracked through your referral link.
You earn rewards each time someone in your network invests using your link.

5. Marketing & Developer Transparency

BNB Fortune supports long-term project sustainability through a **marketing wallet structure**. The smart contract allows up to **5 marketing wallets** to be set by the developer.

- **Each marketing wallet:** earns **2%** from every new deposit.
- **Total marketing allocation:** up to **10% per investment**.

This ensures consistent funding for marketing, community growth, and project maintenance — while maintaining full transparency.
